### A3 TRANSPORTATION

---

\*This appliance can not be moved by hand from area to area. It must be moved on pallet with forklift truck.

### A4 UNPACKING

---

\*Please unpack the package according to the security codes and ordinances of current country and get rid from the pack. Parts which contacts with food are produced by stainless steel. All plastic parts are marked by material's symbol.

\*Please check that all the parts of appliance had come completely and if they are damaged or not during the shipping.

### B INSTALLATION

---

\*Please place the product to straight and sturdy ground, please take necessary steps against possibility of overturn.

\*Technician who will serve for installation and service for the appliance must be professional on this subject and must have installation and service licenses by the company.

\*Connection to Electric Power Supply must be done by authorized person.

\*Please be sure that the voltage connected to appliance must be equal with the voltage which is on appliance's label.

 This appliance must be connected to an earthed outlet in accordance with safety rules and standard.

\*Appliance's earthing must be connected to earthing line on panel which is nearest to electric installation.

\*Connection to the main fuse and leak current fuse must be done in accordance with the current regulations.

# WORK TABLE WITH HOT CABINET

## C SAFETY INSTRUCTIONS

---

-  \*Do not use the appliance in insufficient lighted place.
-  \*Do not install the appliance in the presence of flammable or explosive materials.
-  \*Do not operate the appliance when the machine is empty.
-  \*Do not load so less or more than appliance's capacity.
-  \*Do not attempt to use the appliance without suitable protective equipments.
-  \*Because of any reason if there is a fire or flame flare where the appliance is used, turn off all gas valves and electric contactor switch quickly and use fire extinguisher. Never use water to extinguish the fire.
-  \*All the damages because of not having earthing connection will not be on warranty.
-  \*Do not place heavy objects on to the appliance.

## WORK TABLE WITH HOT CABINET

**D OPERATION****\*Control Panel:**

- A : Thermostat indicator  
B : Signal lamp  
C : Thermostat  
D : ON/OFF button

**\*Operating;**
